APPAREL

men's and ladies'

AHEAD's reputation was built on the wide variety of eye-catching ornamentation techniques that were offered on premium quality headwear. The Designers at AHEAD have developed thousands of alternative graphics that allow you to embrace these looks by dropping in your company name and logo.

AHEAD has extended this concept from headwear to apparel, and has revolutionized how you can market your company on shirts and outerwear for both men and women. With techniques like printed Vintage Labels, Performance Rubber Appliques, felt and twill applique, frayed twill patches, and the new performance friendly and smooth finish GraftixWeld™, AHEAD will help to promote your company in style. Because all of these techniques are produced at their facility in New Bedford, MA, AHEAD is able to satisfy smaller quantities, and shorter lead times than companies that offer similar ideas with off-shore programs.

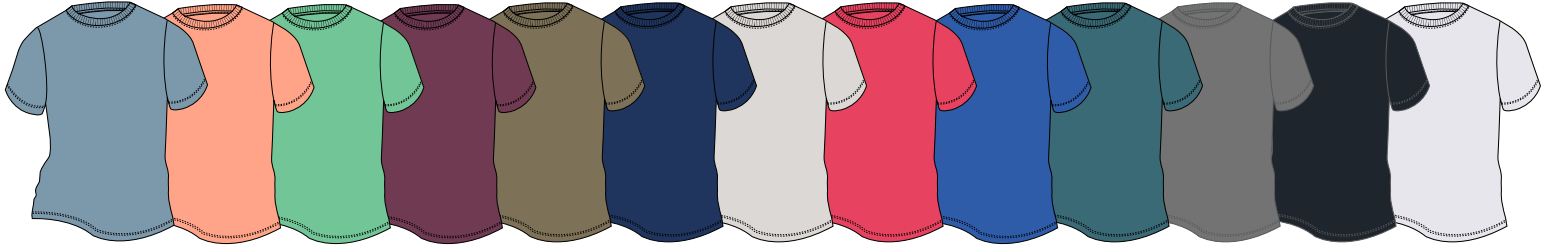

AHEAD is the only company that can offer corporate gift boxes filled with coordinating Headwear, Accessories, and Apparel... and all delivered to you fully assembled, labeled with the recipients' names, and ready to be handed out at your next event!
