Founded in 1995 in a garage in Mattapoisett, Massachusetts, AHEAD has since evolved into a leading provider of headwear, apparel, and accessories to the golf market. Our original inspiration was to add creative ornamentation to what was otherwise a very traditional and conservative product – golf headwear. Not only was this a smashing success but we paved the way for more creative and unique headwear in golf for years to come. We are still leading that charge across multiple product categories and today our products can also be found in the corporate, resort, and collegiate markets – as well as numerous professional golf events and at www.aheadusashop.com. We are continually exploring new and innovative ways to help our customers bring their logos to life. As a part New Wave Group out of Sweden since 2011, and with a culture focused on backing up great innovation with great service, AHEAD is poised to keep going strong. So as we reflect on 25 great years and look forward to the next 25 we thank our wonderful associates and the many loyal friends and customers that have supported us throughout the years.

CORPORATE SOCIAL RESPONSIBILITY

AHEAD, LLC is committed to a platform corporate responsibility, striving for business solutions that integrate financial responsibility with long term social and environmental perspectives. AHEAD is also committed to ensuring fair working conditions in our supply chain and is a member of FLA.

CUSTOM KNIT HATS

Knit hats are hot!

You've seen them on your favorite TV sports shows and now Ahead's new Custom Knit program allows you to get that pro-football-sideline look right in your own shop! Pom or no pom? Cuff it or forget it? Huddle with your staff to decide, and then rouse your fans with knit-in words and custom graphics, as well as direct embroidery for more intricate logos. However you draw them up, they are sure to break loose for a tug gun!
