Founded in 1995 in a garage in Mattapoisett, Massachusetts, AHEAD has since evolved into a leading provider of headwear, apparel, and accessories to the Golf, Resort, Team, and Corporate markets. Our original inspiration was to add creative ornamentation to what was otherwise a very traditional and conservative product – headwear. Not only was this a smashing success but we paved the way for more creative and unique headwear in each market for years to come. We are still leading that charge, and now applying that same approach to our lines of apparel and accessories. Today, our products can be found in some of the finest retail shops in the world, as well as numerous professional golf events, and at www.aheadusashop.com. We are continually exploring new and innovative ways to help our customers bring their logos to life. As a part New Wave Group out of Sweden since 2011, and with a culture focused on backing up great innovation with great service, AHEAD is poised to keep going strong. So as we reflect on 25 great years and look forward to the next 25 we thank our wonderful associates and the many loyal friends and customers that have supported us throughout the years.

CUSTOM KNIT HATS

Knit hats are hot!

You’ve seen them on your favorite QB in the post-game press conference, and now Ahead’s new Custom Knit program allows you to get that pro-football-sideline look right in your own shop! Pom or no pom? Cuff it, or forget it? Huddle with your staff to decide, and then rouse your fans with knit-in words and custom graphics, as well as direct embroidery for more intricate logos. However you draw them up, they are sure to break loose for a big gain!
Who wants to be a Milliner?

The risk you run by shopping off the rack is that your neighbor’s closet may look just like yours. Work with Ahead to tailor your private label headwear for just the right fit in your shop. Private label allows you to express yourself with custom haberdashery elements like printed seam taping, custom metal closure buckles, screen printed panels, and of course, custom woven labels. Choose your colors from bolts of traditional cotton or technical performance fabrics, select a style that suits you, and give us the nod... Ahead will chalk line the fabric, cut the patterns, and thread up the sewing machines!
We hear it a lot: “Your caps are the Best!” But do you really know why? Look beyond Ahead’s industry leading alternative graphics & ornamentation techniques... the cap itself has what we know drives retail: Shelf appeal. Ahead caps have attention to detail that is unmatched. Superb fabrics, color coordinated labels & printed taping, and that tour-tested, “as seen on TV” branding all help to make Ahead caps easy to spot, & easier to purchase. Take a look in your closet... we bet no 2 of your Ahead caps are exactly alike!
