What drives Us to be Ahead?

New Bedford Heritage: It’s in the Water & Soil!

Farmers will tell you that the best tasting crops owe it to the water and soil. They discount, or perhaps don’t even realize, the know-how and work ethic that they inherited from those before them. The crew at Ahead is very similar. Hard work comes naturally to our staff as a result of the industries that their New Bedford ancestors pioneered. Today, the city’s thriving arts community helps to drive creativity within Ahead’s walls.

Pride & Craftsmanship: Sewn into the City

Every Ahead order passes through several skilled hands before leaving the building: Designers; Embroidery artisans; Thread specialists; Laser cutters; Seamstresses... and over 40 full-time artists!

We owe our collective skill sets, and therefore our success, in large part to our New Bedford heritage.

In the 1800s, whale oil was used for lamps, candles, & household items. The tireless sailors of New Bedford’s whaling ships landed enough Leviathans to make the city the richest in the world! After whaling, Textile mills boomed, & skilled workers from around the world migrated to the area. By 1905, about 80% of the residents had arrived from Portugal, the Azores, & Cape Verde. After The Great Depression, 2/3s of New Bedford’s mills closed. Decades later, artists began gravitating to the impoverished city in search of inexpensive lofts. And so began another rebirth...

Casual & Brimmed Hats

Balance is key in building a successful collection. Casual caps offset the more traditional cottons and technical fabric caps, and give your customer another reason to buy. Fashion trends like buckets hats, and the need for sun protection are all the reason you need to make shelf space for brimmed hats.

Pigment dyed and tea stained fabrics offer a softer, more relaxed feel for when you are off the course. Ahead’s alternative graphics make retro inspired mesh back caps a gimme!

Bucket hats are back! Ahead’s new colorful, washed twill buckets are accented with striped Oxford shirt cloth to suit even the preppiest of preps.

Knit hats are hot!

You’ve seen them on your favorite QB in the post-game press conference, and now Ahead’s new custom knit program allows you to get that pro-football sideline look right in your own shop! Pom or no pom? Cuff it, or forget it? Huddle with your staff to decide, and then rouse your fans with knit in words and custom graphics, as well as direct embroidery for more intricate logos. However you draw them up, they are sure to break loose for a big gain!
Private Label

The risk you run by shopping off the rack is that your neighbor’s closet may look just like yours. Work with ahead to tailor your private label headwear for just the right fit in your shop. Private label allows you to express yourself with custom haberdashery elements like printed seam taping, custom metal closure buckles, screen printed panels, and of course, custom woven labels. Choose your colors from bolts of traditional cotton or technical performance fabrics, select a style that suits you, and give us the nod… ahead will chalk line the fabric, cut the patterns, and thread up the sewing machines!

Who wants to be a Milliner?
Ahead’s shelf appeal revealed!

WE HEAR IT A LOT: “YOUR CAPS ARE THE BEST!”. BUT DO YOU REALLY KNOW WHY? LOOK BEYOND Ahead’s INDUSTRY LEADING ALTERNATIVE GRAPHICS & ORNAMENTATION TECHNIQUES... THE CAP ITSELF HAS WHAT WE KNOW DRIVES RETAIL: SHELF APPEAL. Ahead CAPS HAVE ATTENTION TO DETAIL THAT IS UNMATCHED. SUPERB FABRICS, COLOR COORDINATED LABELS & PRINTED TAPING, AND THAT TOUR-TESTED, “AS SEEN ON TV” BRANDING ALL HELP TO MAKE Ahead CAPS EASY TO SPOT, & EASIER TO PURCHASE. TAKE A LOOK IN YOUR CLOSET... WE BET NO 2 OF YOUR Ahead CAPS ARE EXACTLY ALIKE!
