CUSTOM KNIT HATS

Knit hats are hot!

You’ve seen them on your favorite QB in the post-game press conference, and now Ahead’s new Custom Knit program allows you to get that pro-football-sideline look right in your own shop! Pom or no pom? Cuff it, or forget it? Huddle with your staff to decide, and then rouse your fans with knit-in words and custom graphics, as well as direct embroidery for more intricate logos. However you draw them up, they are sure to break loose for a big gain!
Who wants to be a Milliner?

The risk you run by shopping off the rack is that your neighbor’s closet may look just like yours. Work with Ahead to tailor your private label headwear for just the right fit in your shop. Private label allows you to express yourself with custom haberdashery elements like printed seam taping, custom metal closure buckles, screen printed panels, and of course, custom woven labels. Choose your colors from bolts of traditional cotton or technical performance fabrics, select a style that suits you, and give us the nod… Ahead will chalk line the fabric, cut the patterns, and thread up the sewing machines!
SHLF APPEAL
Ahead’s Shelf Appeal Revealed

We hear it a lot: “Your caps are the Best!”. But do you really know why? Look beyond Ahead’s industry leading alternative graphics & ornamentation techniques... the cap itself has what we know drives retail: Shelf appeal. Ahead caps have attention to detail that is unmatched. Superb fabrics, color coordinated labels & printed taping, and that tour-tested, “as seen on TV” branding all help to make Ahead caps easy to spot, & easier to purchase. Take a look in your closet... we bet no 2 of your Ahead caps are exactly alike!
